

Learn About Air Quality in the Wilmington Community

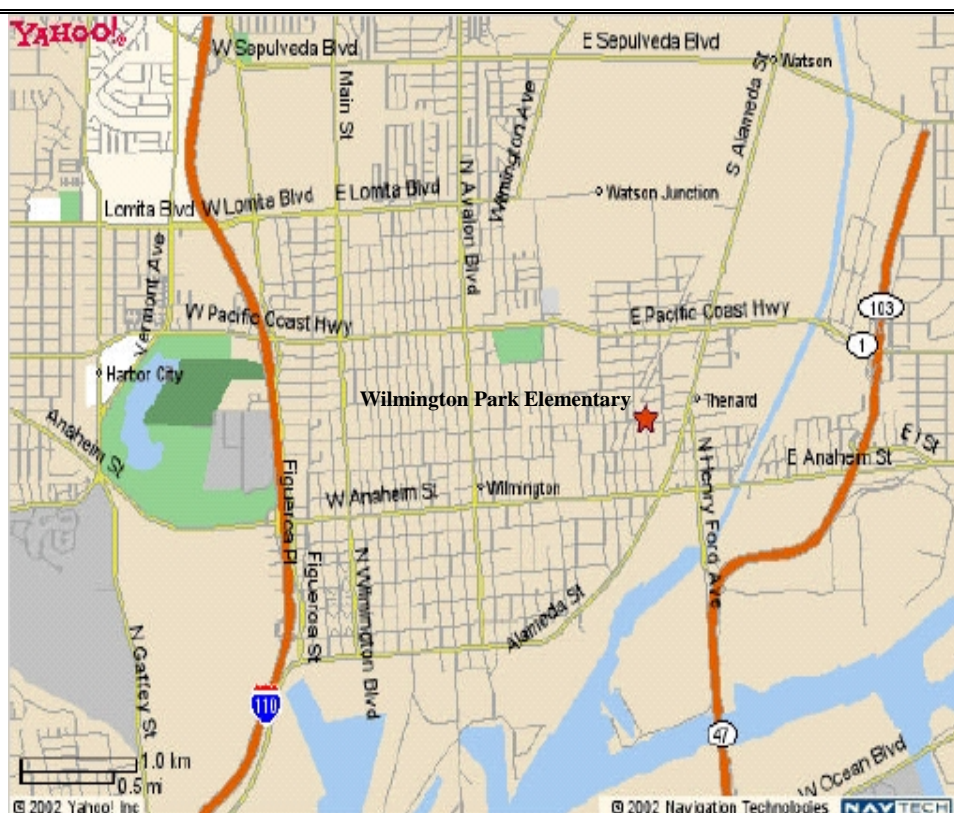

The Air Resources Board invites you to a community meeting to learn about the results of a special study that measured air pollution in the Wilmington community. The study focused on measuring levels of air pollution in places where children live, study, or play such as Wilmington Park Elementary School.

Directions

**Wednesday
April 30, 2003**

6:00– 8:00 p.m.

Wilmington Park
Elementary School
Auditorium
1140 Mahar Avenue,
Wilmington, CA 90744

Spanish translation will be available at the meeting. The facility is accessible to persons with disabilities. For the meeting details, please contact Mr. Johnnie Raymond at (916) 324-7901, or jraymond@arb.ca.gov.
